Dear Parents, Students, Staff and Friends of the Magdalene Community,

Last week two teams of students, along with Mr Gorrie and a number of parents ventured to Canberra for the National finals of the F1 in Schools Competition. The two teams Gamma Rayzing (Hannah Clancy, Jordan Duncan, Troy Minor, Luke Papandrea and Matthew Said) and Team Falcon (Luisa Barillaro, Elyse Beauchamp, Nicholas Koteveski, Damon Koulouris, Brayden McMonigal) undertook a great deal of preparation over the past few months and their performance to get to the finals is certainly remarkable. In the words of the organisers “F1 in Schools is a holistic action learning program which focuses on developing long term employability skills. Students learn leadership, team building, project management, business planning, public speaking, marketing, collaboration, writing and presentation skills as well as engineering skills used to develop their car.” The Magdalene students were certainly outstanding in all of the above areas.

Both teams representing Magdalene performed to the highest level. In the end the Gamma Rayzing team took out the national final. This means that these students will travel to the World F1 Finals in Abu Dhabi in November. This is certainly a remarkable achievement, a real recognition of the hard work of the team. It is also a recognition of the wonderful support given to them by their parents, Mr Gorrie, a number of teachers at the school and their sponsors, throughout the journey to the finals. I congratulate both teams on their wonderful achievements and wish Gamma Rayzing all the best for the World Championships in November.

Next week students in Year 7 and 8 will sit for the Progressive Assessment Test (PAT) for reading. The reason for this test is to ascertain the level of achievement students have reached in reading and to offer support to students to develop their reading skills. At present many students at Magdalene undertake very little reading in their lives. This lack of exposure to reading in many cases can have an adverse effect on students’ learning and performance, as students have not developed sophistication in their understanding and comprehension due to lack of exposure to the written word. It is certainly important for all students to read whenever they have the opportunity. The results of the IPAT test will allow the school to develop ways to support students further in the development of their reading skills.

On Wednesday 19 March the school made students aware of anti bullying when we as a school focused on the “National Day of Action Against Bullying.” The activities on the day united the school in taking a stand against bullying. As a community we recognise it is important for all students to be confident enough to take a stand against bullying. Students are also encouraged to ensure that they do not stand by and let bullying happen, as this actually offers indirect support to the bullies. All students are urged to speak out when they face bullying either personally or witnessing others being subject to bullying. Those who stand up against bullying become stronger and build up their resilience in the long term. If students are facing bullying they should inform a teacher or their Pastoral Care Year Coordinator in the first instance.

Next week Year 12 begin their Half Yearly Examinations. Year 12 have been reminded constantly throughout this year of the importance of preparation and the development of a study program, which is well planned and adhered to. The plan begins very early in the year and not just prior to examinations. This advice is not only useful for Year 12 students but for all students across the school. This allows them to reinforce their learning and to be fully prepared for examinations.

*Strong minds, gentle hearts*
Last Tuesday an extraordinary meeting of the Parents and Friends Association was held to discuss the progress of the bus pass subsidy issue. Since the last report I have had a meeting with the Camden Council Ranger and police representatives to consider the issue of buses at Magdalene and safety for students travelling to and from the school. In essence the Council are looking to improve pedestrian access where possible, especially around Mt Annan, however in most cases are unable to add extra pedestrian crossings. The representatives spoke about the zones around the school and looked to increase the size of the bus zone outside the school to improve safety. The Council is unable to make any decisions about the bus travel subsidy as this is not within their jurisdiction.

The Parents and Friends meeting heard of progress of other meetings and will continue to seek the support of local Parliament and representatives. A representative of the Parents and Friends Association will make contact with parent bodies from other schools to ascertain their position in the matter.

Next week Year 9 students will be attending their Year 9 camp. We wish Mr Sinclair-Kidd, the Year 9 teachers and students all the best for an enjoyable community building experience. Once again I thank the teachers for their generosity and willingness to support the students in this worthwhile event.

Recently a number of students competed in the Diocesan Swimming Championships. I congratulate all students on their performances, Zac Byles (Age Champion), Sheree Farrell (Age Champion) and especially acknowledge Matthew Burke who set records in the 50Fly and 200 Individual Medley and was Age Champion). I also take this opportunity to acknowledge Thomas Gallagher who was successful in the Diocesan Tennis and competed at the All-Schools Tournament this week.

As we continue our journey through Lent and towards Easter I thank everyone for their generosity and willingness to reflect on the plight of others. May we all continue to seek to make a difference to the lives of others in the way we act and continue to reach out. The Caritas theme for 2014 is “have life and have it to the full.” This has certainly been the case as students and staff have worked to raise funds to support others and improve their lives. I thank everyone for their generosity and encourage all to continue to reach out to others as Lent continues.

Lent is also a good time to reflect on the way we live our lives. The prayer below offers support in asking God to support us in our daily lives.

**PRAYER**

God of infinite love,

*I thank you for this reminder of your love*
and your call that we be more patient,
gentle and compassionate with others.

*Here in the middle of Lent,*
*I turn to you to beg for your help.*

*Please soften my heart.*

*Help me to let go of judging others.*

*I ask you this, in Jesus’ name.*

*Amen*

---

ESSA RESULTS

The school has received the results of the Year 8, 2013 ESSA (Essential Secondary Science Assessment) test and will be distributed to parents next week. These results will be used to develop programs to ensure students improve in their understanding of Science.
What a successful week we have had for Caritas! Thank you to everyone who helped out and purchased sweet goodies at the Caritas Cake store and made a donation on RED Day.

Week 8 kicked off with a St Patrick’s Day store! Purchase a St Patty's buddies were sold for $3 (shown right) and many other cool items were sold to raise funds for Project Compassion.

Each Pastoral Class has set a project compassion goal and continue to fill in their money meter.

'Each petal on the shamrock sends a wish your way: Good health, Good Luck, Much Happiness - today and every day'

Have a lovely weekend and thank you for the constant support. Visit the Caritas website for more info on where our money is going to. http://www.caritas.org.au/projectcompassion/what-your-dollars-can-do

The Caritas Team
YEAR 7 ASH WEDNESDAY

Year 7 have had a very busy few weeks. Our activities began with the solemn and spiritual Ash Wednesday. This was a day that our Year 7 community participated in a spiritual connection toward each other. Students shared in this blessed experience by willingly reading prayers and passages from the Bible whilst partaking in many symbolic responsibilities during extended Pastoral Care class. Activities involved, the presentation of the Bible and the Cross, the lighting of a candle and presentation of water. The Year 7s were very reverent and respectful and demonstrated a beautiful and mature nature during the celebration.

God Bless our beautiful Year 7 group.

CARITAS - YEAR 7 RED DAY

Two weeks ago, Year 7 had a fun filled day that also coincided with their Reflection Day. The Year 7s really got into the spirit of the day. RED was certainly the colour of the day, with clothing, fashion parades and balloons to boot. Congratulations to 7 Dunne who raised the most money on the day, closely followed by 7 Moore. Overall, Year 7 has shown a wonderful sense of compassion and empathy toward those in need.
YEAR 7 REFLECTION DAY

The Year 7 students experienced their very first Reflection Day, which took place on Friday 14 March, 2014. The theme of the day was “What is Love? - Journey” It was a day that the students could reflect on what they have achieved and on life itself. Most of the Year 7 enjoyed the day extremely and being able to wear mufti day was an added bonus. The day was filled with fun activities and great opportunities to get to know the other students in the grade. It started with some icebreaker activities and games including a dance off – students vs. teachers. There was a talent show, card tricks and some drama skits too.

Here are some of the students reflections….

On Friday we had our Year 7 Reflection Day. It was a lot of fun but at the same time it was very spiritual. The activities we were involved in were:
1. Balloon pop - where you had to try to pop the balloon on someone else's foot
2. We watched an inspiring video about a disabled boy and his father and how they had never ending love for each other and how they competed in all these marathons together with his father pushing him every step of the way.
3. We had to make a drama scene about leaving people out. It helped us to realise how it feels to be them and how we need to think before we act.
4. We also got to watch our classmates performing their amazing talents for us.
5. Lastly we talked about what love is and how we can show it.

By Liam Lo Cascio and Nathan Fenech 7B
On Friday 14 March Year Seven had their Reflection Day. The Reflection Day was a day of fun, and a day of laughter and most importantly a day of love. We learnt about love, in particular spiritual love and the love we have for our fellow human beings with dignity and respect.

We found this day a chance to meet, mix and mingle with new people and the fun of wearing red! We think it was great how the community got together. The games and excitement made this day a success so we could learn about the values of love whilst having fun with our fellow peers.

Thank you to Mr O'Neill, Mr Pannell and the Pastoral Care team for organising this day for us!

By Monica Rixon 7H and Gemma Nelson 7W

On 14 March 2014 Year 7 had a Reflection Day, this involved students interacting with each other. On the same day it was Red Day for Caritas (one of the school’s fundraising charities), this meant all students from Year 7 to 12 wore an item of red clothing to support the cause. Year 7 had a great time on Friday doing activities, which tested the mind and body. We talked about Love with God and the people around us. This event was held in CAPA, some Year 7 students sang, danced, did comedy and an AMAZING gymnastics show to entertain one another. Thank you to Mr Pannell, Mr O’Neill and the Pastoral Care Teachers for making this awesome day happen.

By Emily Saysanavongpheth 7D and Monique Newton 7M
TALENTS OF YEAR 7

What amazing talents we have in Year 7!
Last Friday we were graced during our Reflection Day with the brilliant vocal, comedic and acrobatic talents of some students.

The week prior sporting talents shone through brightly with our Dio swimmers; Aleesha Austin, Jack Beeby, Nathan Fenech, Madyson Kenny, Zane King and Jemma Simpson.

This week we are blessed with some amazing drawings from the talented Peter Cornett and Tara Dunlop. Great work Year 7!

Work by Peter Cornett 7 Wilson

Work by Tara Dunlop 7 Moore
YEARS 9 MATHS

Maths Trivia held in the Learning Resource Centre tested the students' knowledge of number facts in the real world. Points from this team competition counted towards the school’s HOUSE POINTS tallys for 2014.

“I really liked the quiz because we all worked as a team and it's for house points so Moore could get more of them.” “I found that doing the quiz in the library was a lot fun because we got to think on the go which made it extra fun.” (Year 9 Student)

NSW Premier’s Reading Challenge 2014 - Years 7 - 9

All students in Years 7-9 are encouraged to participate in the Premier’s Reading Challenge for 2014. The Challenge aims to encourage a love of reading for leisure and pleasure in students, and to enable them to experience quality literature. It is not a competition but a challenge to each student to read, to read more and to read more widely.

The Challenge runs from 3rd March to 22nd August 2014. Ongoing reading is encouraged as students aim for the target of 20 books. Books read from September 2013 can count towards the 2014 Challenge. It is a condition of entry that students entering the Challenge maintain an online reading log and that those who successfully complete the Challenge will receive a certificate and appear on the online Honour Roll.

Permission slips need to be completed and returned to the Library.

Photography Competition

Do you enjoy taking pictures? Think you have a good eye for photography? Then enter Screen Shot, Magdalene’s Photo Challenge competition. Enter your best shots related to the topic given and you could win. Simply consider the theme provided each term, be creative and capture an original image.

Term One Photo challenge theme is Unusual Angles, competition open on Monday Week 7 and entries are to be submitted by no later than lunchtime Friday of Week 10 at the Learning Resource Centre. Entries (printed images 8x10) need to be submitted with name and homeroom on the back and a $1 entry fee per entry submitted maximum of three entries per student. Winners will be announced during Week 11 and your image will appear on the school website. Please check your email for further details.

Hints and Tips: Stick to the theme selected. Images that are creative, unusual and thought provoking make the best entries for photographic competitions. Consider the composition of your photograph carefully. The quality of your print will be considered in the judging of images so take care to submit a good quality print. You can either print at home, school or you may choose to print your photographs at Big W, Harvey Norman, Office works. Be creative and have fun shooting.
The school community takes great pleasure in congratulating the F1 Teams for their participation in the F1 in Schools Team program. The commitment they have shown towards this program has been commendable.

The full report of the event can be viewed on the school website homepage, under tab Latest News, F1 National Champions, scroll to the bottom of screen and click on the attachment: Racing our way to Canberra_Day 1_3 Awards pdf file.
RACING OUR WAY TO CANBERRA
F1 in Schools Team Gamma Rayzing has won the National finals.
WINNER 2014 NATIONAL FINALS

GAMMA RAYZING - Professional Senior and Junior Class
Hannah Clancy, Luke Papandreou, Matt Said, Troy Minor and Jordan Duncan

Best Team Folio (1st Place) Winner
Best Team Marketing (1st Place) Winner (PISTON CUP TROPHY Neal Bates - Rally)
Best Engineered Design (2nd Place) Runner up
Best Pit Display (2nd Place) Runner up
Innovation Award (4th Place)
Industry Collaboration (3rd Place) Runner up
2nd Fastest Car in Auto Racing 1.048 seconds (3rd overall in Grand Prix)
Fastest Reaction 0.125 seconds
3rd in Knock Out Racing, with the quickest car in knock out, with a 1.215 in round 1.

Making Gamma Rayzing the Overall Winners of the 2014 Australian REA Foundation F1 in Schools Design Challenge, Australia’s No 1 Team.
(F1 Aust. Nationals - Golden Turbo Trophy)

Gamma Rayzing will represent Australia in the World Championships in Abu Dhabi in November this year!

Both Teams are a credit to our School, the Hub and the State.

I’d like to take this opportunity to thank everyone for supporting and allow for a few disruptions and a huge big thank you to all our sponsors, supporters and collaboration partners!

If you would love to get behind Gamma Rayzing and show your support, please visit their Facebook page (Gamma Rayzing) and also feel welcome to contact, Ian Gorrie (ian.gorrie@dow.catholic.edu.au) if you would like to be a World Finals Team Sponsor or Collaborator as we begin to prepare for Abu Dhabi.
MISA RESULTS: Magdalene v John Therry

YEAR 9 SCHOOL SPORT
There have been 5 rounds of Year 9 inter-Homeroom School Sport with students participating in a range of sports such as Basketball, Netball, Volleyball, Soccer and Oztag. Homerooms receive 3 points for a win, 2 for a draw and 1 point for a loss.

The following players have been noted for their competitiveness and good sportsmanship. Players: Nelson Pellizzeri, Mitchell Fabri, Charlotte O’Flynn, Sarah Neasy, Megan Major, Melissa Ebejer.

Well Done our Female Hockey Players
Well done to the following Hockey players who were successful in becoming Hockey representatives for the Diocese:
Samantha Coupe, Aimee Lauc
Brittany Rasmussen and Bianca Suraci

The girls will be playing for the Diocese at the NSWCCC Selection Trials at Newcastle on 24 March.

Olympia Plummer
Congratulations to Olympia Plummer who participated in the 200 and 400 track events for the State Athletics Carnival on the weekend.

Diocesan Tennis Report
On 13 March, a group of students ranging from Years 8 to 12 travelled to Wollongong to compete in the Diocesan Tennis competition. Considering the humidity and the tough competitors we were faced with, the Magdalene Spirit was on show. With the boys winning their first round and girls winning the consolation draw, the Magdalene team was proud of their achievements. The team consisted of Matthew Stuart, Thomas Gallagher, Samuel Gallagher, Ryan Lewis, Jack Davenport, Emma Potocki, Maighan Duck, Megan Casey, Brooke Peters and Teagan McConchie.

- Congratulations to all of these participants.

U13s Diocesan Girls Soccer Report
The U13’s Diocesan Soccer girls team represented Magdalene Catholic High School with honour and pride during the recent Diocesan Soccer Tournament. They began the day with a strong victory over Corpus Christi Catholic High School, Oak Flats, and the girls continued to dominate the A group competition. In the last game the girls headed up against the highly ranked team from Holy Spirit College, Bellambi. A series of unfortunate goals saw Holy Spirit take the lead and defeat our team 3-1. Whilst the final game was a disappointment for the girls, their attitude and performance on the day was a credit to them. Let's hope the fire and passion lives on for another attempt next year.

Mr Boom

U/15 Diocesan Rugby League Report
Recently, a number of students represented the school at the U/15 Diocesan Rugby League day in Figtree near Wollongong. The boys represented the school with great pride and determination against often larger and stronger opposition. Whilst the results didn't go our way, the effort and sportsmanship the boys displayed was of the highest order. I am particularly proud of the way the boys never gave up and were very inclusive of our additional player from St Benedict's (Bryce Earnshaw) who didn't have a team to play in. In short, the boys were a credit to themselves and the school.

I would particularly like to thank Matthew Watson (former student) for his work and all the parents who came along and supported the team on the day.

Mr Collins

### Congratulations to Maddison Smith

Softball Representative:
So far this year Maddison has not only reached selections for the NSWCCC Girls Softball Team but also has represented Tasmania in the 2014 National Softball Championships.

She was also part of the Macarthur Representative Squad who recently won the State Championship. We wish her all the best as she continues to excel in Softball.

### Congratulations to Thomas Gallagher

NSWCCC TENNIS
Thomas Gallagher was called up to the NSWCCC Tennis Team to play at the All-Schools Tournament on Monday and Tuesday (24-25 March)

Well Done!!!

### Congratulations to Samantha Coupe

NSWCCC U16s Hockey Team
Samantha Coupe has been called up to the NSWCCC U16s Hockey Team to play in the All-Schools Tournament in May.

Well Done!!

### Mass at St Paul’s Church Camden

Mass at St Paul's Church, Camden for all Year 9 and 10 students and parents
Magdalene has been invited by Fr Michael to be part of the 5.30pm Mass on Sunday 6 April, at 5.30pm.

As a sign of support for our parish, our school and our Catholic community, we are asking as many Year 9 and 10 students and their families to come together for this Mass.
