

MAGDALENE NEWS

Vol 16 Term: 2 Week 5
13 June 2014

Dear Parents, Students, Staff and Friends of the Magdalene Community,

Last Thursday Year 9 students were able to come together to be part of the Year 9 Reflection Day. The Reflection Day was led by Youth Retreat Coordinator, Chris Doyle, who has presented a number of Year 9 Reflection Days to students over past years. The Reflection Day was certainly a great event judging by the responses of Year 9 students. One of the reasons for the retreat being so positive is the willingness of students to be open to new experiences and willing to take advantage of what is being offered. While at Magdalene students have the opportunity to develop their faith as they grow and experiences like the Year 9 Retreat provide that opportunity. I thank Mr O'Neill and Mr Sinclair-Kydd for their organisation and the teachers and students for their positive involvement.

This week at our assembly our senior leaders introduced a new academic award for the first time. This award provides an opportunity for students to acknowledge peers in their classes who they believe are striving for personal excellence in their studies. The students are able to nominate their peers online and the student leaders along with the teachers chose one student from each year group to receive the award and to be acknowledged by the school community at the assembly. This is yet another opportunity for students to acknowledge academic excellence and to encourage students to be proud of their achievements.

This weeks "Student Academic Excellence Award" winners are:

Year 7	Lauren Dady	Improvement in learning
Year 8	Kate McDermott	Commitment to learning
Year 9	Bethany Perkins	Commitment to learning and assisting others
Year 10	Isabel Staunton	Assisting others with their learning in PDHPE and PASS
Year 11	Samuel Gallagher	Commitment to learning
Year 12	Dean Lindsay	Commitment to learning and assisting others

I thank the leaders for this wonderful initiative and acknowledge Mrs Forner in her efforts to ensure the process was both smooth and efficient. I also thank our Local State Member, Mr Chris Patterson, for joining us on this special occasion.

The assembly last Wednesday also provided an opportunity to acknowledge academic performance in Year 11 for the first semester. These awards recognise hard work and dedication and are a reflection of the commitment of students to their studies. I congratulate each of the students who received an award and praise each for their efforts. The names of the award recipients are included later in this newsletter.

This Friday and Saturday there are two very important annual events taking place at Magdalene. The Annual Winter Sleep Out will be conducted this evening at the school. The evening is conducted to raise both awareness and support for those people in our community who face poverty at different times in their lives.

The St Vincent de Paul Society provides us with an opportunity to support these people when times are difficult and that is especially so during winter. This evening will see approximately 105 students involved in the Ignite Retreat and the Winter Sleep Out. I thank the students for their generosity and thank and acknowledge Mr Pannell and the teachers involved who have made the event possible.

This Saturday the Annual Magdalene Classics Concert will be conducted at Mater Dei Chapel from 2pm. The afternoon gives students an opportunity to perform with an orchestra. This is a rare opportunity for students in any school and provides a wonderful experience for the students of Magdalene. A great deal of preparation has gone into the concert and I thank Mr Mae, Mr Lappan the students and parents for all the work done in preparation for what is always a wonderful experience.

Strong minds, gentle hearts

...../2

Over recent weeks there have been a number of issues with students who bring their own notebook computer or Ipad to school. This relates to Year 7 & Year 10 students. I remind students and parents that everyone who brings an ICT device to Magdalene is expected to use that device responsibly at all times (as per the school's Responsible Use of Technology Agreement).

Some students have unfortunately downloaded games onto their device and this has not only impacted on their learning when they use these at inappropriate times, but can have an impact on the school's wireless network, which is unacceptable.

I ask parents to impress upon their children the importance of responsible use of ICT at school and at all times. Parents of students who bring their own device also have the opportunity to have the device locked down by the school's network administrators. Parents who wish to have their child's computer locked down should contact the school and speak to Mr Avalos or Mr Bayliss.

This week all parents received a letter containing the Bishop's Pastoral Letter and a Catholic Education Office response to the Royal Commission Into Institutional Child Sexual Abuse. From June 24 the Commission will focus its attention on the Catholic Diocese of Wollongong. The reason for the responses to the letters is to reinforce the position of Bishop Peter and the Diocese as well as the Catholic Education Office and the school. I urge all members of the community to read the letters.

I also reinforce the sentiments of Mr Peter Turner, Director of Catholic Education in the Diocese of Wollongong:

"We echo Bishop Peter's message and in support, strongly affirm the commitment of our Catholic schools to work with the Royal Commission. We invite all members of our school community, including students and parents, to unite in prayer for the protection of children and for justice and healing for victims of sexual abuse."

Next week is Refugee Week. It is a time for all of us, as followers of Christ, to stop and reflect on the role we can have in respecting the dignity of others and allowing them to have life as Christ wants for all of us.

Prayer

*Compassionate God,
no one is a stranger to You
and no one is ever far from Your loving care.*

*Watch over those who are separated
from their loved ones
those who fear persecution
and hope for a better life in our community.*

*May we reach out in welcome
to all those who arrive as refugees,
embracing one another
so that together your hope
O God will be our future.*

*We make this prayer
through Christ our Lord.*

Amen

God Bless

Mr John Lo Cascio
Principal

Attention: Yr 11 & 12 Students

Following the success of the Years 9 and 10 Parish Mass in Term 1, we are now preparing for a Mass on Sunday 22nd June at 5.30 pm at St Paul's, Camden. This time we will be asking parents and students from Years 11 and 12 to be involved.

Please see Mr O'Neill, Mr Wright, Mr Lipscombe, Mr Zakris or Ms Partridge if you are in Year 11 or 12 and would like to be involved in the prayers, the readings, the Offertory Procession, Eucharistic Ministry, Music Ministry, Greeting or any other role during the ceremony.

Thanking you in anticipation.

Please make a note to bring in CLOTHING ITEMS (especially jumpers, jeans, tracksuit pants, scarves, beanies etc) for the VINNIES CLOTHING BIN that is located alongside the canteen.

Please be generous and thank you for your ongoing support.

Mr Pannell
Mission Coordinator

It gives me great pleasure to announce that our final figure for Caritas fundraising in Term 1 was

\$7,030.50

This is a terrific outcome, particularly as the Caritas Team 'raised the bar' by \$1,000 from last year, and then cleared it. Well done everyone!

I'd also like to pass on a very special thanks and big congratulations to Mrs Amanda Violi, Miss Alyce-Maree Simonetta and Ms Michelle Walker for helping to oversee the various fundraising and awareness raising initiatives in Term 1. Their creativity, leadership and enthusiasm gave this appeal a real boost.

Thank you to all staff for your important role in helping to promote and support this work. A cheque for \$7,030.50 has been sent off to CARITAS AUSTRALIA. Thank you for your ongoing support.

Following is a speech by Laura Petrie of Year 12, on the subject of Bullying.

"Bullying is a wide spread issue, it can take place in many forms include verbally, physically, emotionally and more; all types of bullying can have a significant negative impact on the victim, victim's family and friends and even the bully can sometimes be impacted upon. Although, this issue is often addressed, for example, through school talks or campaigns, it is still a continuing matter that is familiar within society. Bullying can take place anywhere, within the home, at school, on the Internet, on the streets or at a workplace.

A recent study I did for my Community and Family Studies research project was in regards to verbal bullying. It consisted of 60 questionnaire respondents. 58% of these respondents stated they had been verbally bullied, 85% agreed that they knew/know someone that has been verbally bullied and 85% also believed that verbal bullying is a serious issue. 100% of respondents believed verbal bullying can affect an individual's wellbeing and their self-esteem or self-confidence. However, verbal bullying is not the only type of bullying that is an issue within society, it is just one of the many I made reference to in the beginning of this speech. Bullying can largely impact the way an individual perceives themselves and others and can cause them to feel unhappy, depressed, angry, anxious and may lead to self-harm or suicide, in some cases. I personally have heard of too many people who have committed suicide as a result of bullying and I personally do not want to hear any more of these stories.

I want you to think, do you know someone that has been bullied? Have you been bullied yourself? Or maybe you've even been the bully. How did it make you feel to be on the receiving end of bullying? Have you ever been called any names, have you ever been judged based on your size, your appearance, your personality or even your values? Maybe someone wrote something nasty to you on Facebook, or maybe you were the one who wrote a nasty status or comment to someone you, at the time, didn't like. Everyone's life should be valued, it is obvious, that no two people are the same but we all have some things in common, we are all children of God, we are all human, we all make mistakes. We are taught through not just Christian values, but social values, that it is wrong to belittle someone and to judge someone, that we should accept all people as a whole, and should not demote someone because we do not like the way they are. I have been on the receiving end of bullying before and I know how it feels to be judged and to be called names, to be verbally bullied and emotionally bullied, to be cyber bullied and bullied at school. To feel threatened at school and worried about what will happen when I leave home to go to the shops. I hated the nasty looks and comments, and snickering behind my back. I hated feeling worthless. They were all scarring experiences. It is not a good feeling and it is the reason why I am at Magdalene. I have admittedly even been a by stander of bullying, and the only reason I did not get involved was the fear of being bullied again. However, I am not afraid anymore and you shouldn't be either, do not be afraid to save someone's life by stepping in, do not be afraid to tell a teacher or to even report it to Facebook.

You can make a big change by doing something that small and my challenge to you is to do something small in order to make a big difference. Showing a small amount of compassion to someone experiencing bullying could just save their life."

Laura Petrie, Year 12

Da Vinci Decathlon at Mount Annan Christian College.

On Thursday 22nd May a group of eight Yr 8 students and seven Yr 7 students participated in the Da Vinci Decathlon at Mount Annan Christian College. This was a brilliant experience and I would definitely recommend it for anyone who is keen to have some fun with their learning. First we started the day with a spelling test full of extraordinary words like procrastinate and incongruous. Then, two volunteers from the group went outside to complete in the Creative Producers activity (a drama production) while the others stayed inside completing English, Philosophy and Science challenges. We then had a small break where we were all given a light morning tea. We then returned to begin the Cartography, Mathematics, Engineering and Art/Poetry challenges. We started working in pairs but as it grew nearer to the end of our time we combined forces to create an indestructible team. At the conclusion of this session we then went outside to enjoy our lunch.

The final session began with a mind boggling general knowledge test and the hardest topic of all, code breaking. After much deliberation, collaboration and deductive reasoning (guessing) the time was up and we had to hand in our work. While we waited for the judges to mark the papers we played little games where it was 'every man for himself' since the prize was a yummy treat (lollies). Our school had the advantage in the Word Pictures activity as we had already played this game in Technology a couple of days ago. Then the results came in. The winner for Yr 6 was Mount Annan Christian College. The winner for Yr 7 was Campbelltown Performing Arts. In the Year 8 category Magdalene ended up winning seven out of ten awards, putting them in first place for Year 8. All in all the Da Vinci Decathlon was a great success for our school. We had fun, met lots of interesting people and were tested to our limits and beyond. Thank you to the organisers and Mrs. Jones who accompanied us on the day!

Siobhan Suters, Yr 8

BELOW IS A RESPONSE THAT WAS COMPOSED ON THE DAY.

ESSENTIALLY THE POEM HAD TO BE ABOUT CHANGE AND THE IMAGE HAD TO REPRESENT THE POEM AND THE NOTION OF CHANGE HIGHLIGHTED IN THE POEM.

Title: I Knew A Girl

I knew a girl who held the world in her eyes,
Gazed upon others with a fair, white light.
She could never stay still
"There's just too much to see!"
With a giggle and a skip
"Adventure with me!"
I remember her smile,
It bloomed as she sang while dancing away
In her own little land.
I wish I could've followed,
I wish I could go
Back to where she danced away
Light on her toes.

But change came and crashed like a wave,
Kissing the shore of her special world
And dragging her away.
With a silent scream
I watched the gleam of stars fall from her eyes
Swallowed by inky black.
With a smile like an open wound
She was carried away
Into a world with much darker days.

Change made the sun stop shining in her eyes,
Change made her smile dim down to a dwindling light.
Change doused her fire and
Coloured her grey
Turned her spirit to bend and obey
To follow in a world of beige.

I miss the girl with the flowers in her hair,
With eyes that could see all the pretty things out there.
I miss that girl and wish she could see
That the woman she'd become
Should not have been me.

hope begins with us

If a tree falls in the forest

If a tree falls in the forest
And no one is around
Does the fallen tree make a sound?
For the answer is yes but also no
See for they're to be a sound
we have to hear it
And if no one is there then there isn't
But all objects make a sound,
even the gentle wind
When it hits the ground.
All the same if it is true,
if a tree falls in the forest
And no one is around
Does the fallen tree make a sound?

GEN D TOMORROW'S SAFER DRIVER

Gen D – Tomorrow's Safer Driver supports parents of young people by providing valuable information to help them understand their learner driver and the challenges today's young people face on-road.

Worldwide, road trauma is the highest cause of death and injury amongst young people aged 15 to 29. Each year in NSW, over 100 young people die in road crashes and a further 5,000 are injured.

Commencing with a presentation on adolescent brain development, managing risk taking in youth and communicating with young people, the session will look at the parent/child relationship in a learn-to-drive context. Topics included;

- Adolescent brain development
- Why young people take risks
- Communicating with young people
- The in-car relationship
- How to teach safe driving behaviours
- Further support and resources

The program takes a fresh new approach to address the **key road safety issues confronting young people**, while being strongly grounded in current research and best practice methodology.

Date: Monday June 16th 2014

Time: 6:00pm - 8:00pm

Location: Campbelltown City Council Civic Centre
91 Queen Street, Campbelltown

To book into Gen D – Tomorrow's Safer Driver session for parents please email Imman Chakik from MTC Australia on ichakik@mtcaustralia.com.au

This session is developed to support Stage 5 of the NSW PDHPE curriculum.

SPORTS NEWS

Great news for our Elite Individual Athletes

Recently our representative players and athletes have had great success in the following sports:

- AFL:** Well done to Matthew Edwards (Year 10) who attended the All-Schools AFL tournament at Wagga Wagga. Matthew was selected into the NSW side – an outstanding effort.
- Soccer:** Congratulations to Matthew Stewart who represented Wollongong at the NSWCCC Tournament at Coffs Harbour. Matthew was selected into the NSWCCC side and continues to excel in soccer.
- Trampoline:** An outstanding effort by Kate McDermott who competed in the Australian National Championships for Trampolining in Melbourne last week. Kate won a Gold medal in her Double Mini Event and is now the Under 15's Australian National Champion. It's a great achievement for Kate who recently won Gold at the NSW State Championships. Kate also won a Bronze medal in the Under 15's Sycro Event.
- Hockey:** Well done to Samantha Coupe and Samuel Harrison who are part of the Athlete Acceleration Program for NSW Hockey. They will be participating in elite Hockey training as they progress in the sport.
