Dear Parents, Students, Staff and Friends of the Magdalene Community,

The last few weeks have been quite busy at Magdalene with school events conducted and achievements being recognised. Last Friday the Ignite (Voluntary retreat) evening was held at the school. The event provided students with the opportunity to explore their faith, enjoy each others’ company and share their experiences with others.

Magdalene is really a unique school in the sense that the voluntary retreats are so readily available and so well supported. I thank the more than thirty students, the teachers; Mr Pannell, Mrs Phillips, Mrs Maher, Mr Webb, Mrs Fantini, Mr O’Neill, Mr Elliott, Mr Wright and Miss Saywell and Mr Collins for their support in this really worthwhile venture.

Next week the students, parents and teachers involved in the Italy Excursion will depart our shores for Italy. This excursion has been a long time in the planning and looked forward to with great excitement. I know this will be a valuable experience and will be a cherished memory for all involved. I thank Mrs Foti and the teachers accompanying the students on the trip for their organisation and planning and wish everyone involved a safe and enjoyable experience.

Yesterday the school hosted the Catholic Mission launch for the Diocese of Wollongong. The school welcomed members from each of the Wollongong Diocesan schools. Also in attendance were the Bishop of Wollongong Bishop Peter Ingham, Mr Martin Tuelan - National Director Catholic Mission, Mr David Harrison Diocesan Director Catholic Mission, from Catholic Mission, Mr Peter Turner Director of Catholic Schools Wollongong Diocese and members of the Catholic Education Office. This was truly a significant way to highlight the needs of those across the world and our opportunities to support them. This year the Catholic Mission focus is on Jamaica. Our students have been making every effort throughout this term to support those struggling in Jamaica. Thursday’s launch also provided an opportunity to highlight the wonderful Magdalene commitment to social justice. I thank all involved in the organisation of the event and especially acknowledge Mr Elliott for his work and organisation of the event.

Over the last week the NAPLAN results for 2014 has been sent out to parents of students in Year 7 and Year 9. These results provide a report on student achievement levels in literacy and numeracy. The results also allow teachers to tailor literacy and numeracy support for students in their future education. Over the coming weeks these results will be examined closely and support programs developed. Should any parents have questions related to NAPLAN they should contact Mrs Linda Maher at the school.

Last Wednesday the students nominated for Senior Leadership at Magdalene in 2015 travelled to Mt Schoenstatt at Mulgoa for a leadership Discernment Day. During the day the students were able to get to know each other and gain a greater understanding of leadership at Magdalene through the activities and interactions undertaken throughout each of the sessions.

At the conclusion of the day students voted once again to elect the senior leaders. These votes formed part of the final election process which decided the leaders for 2015. As I reflect on the day I feel compelled to state that we are truly privileged at Magdalene to have so many young people with leadership potential and who display so much integrity. As stated to the students all of them would have fine leaders. As a result of deliberations and voting I congratulate the following students who will be the Senior Leaders for 2015:

Strong minds, gentle hearts
Year 7 - Liam Lo Cascio - Assisting his peers with their learning
Year 8 - Emma Greenhalgh - Commitment to learning
Year 9 - Annicka Ciol - Contributing to class discussion and assisting others in their learning
Year 10 - Scott Miller - Improvement in assessment and assisting others in their learning
Year 11 - Celene Watson - All round positive contribution to the school community
Year 12 - Chiara Assetta - Commitment to learning

As the Term draws to a close so too does Year 12 students’ time at Magdalene. Next week the community will farewell Year 12 students as they conclude their formal classes. The farewell will begin on Wednesday with a breakfast followed by a farewell assembly and a Mass in the evening.

The students will return next term for study classes and of course to undertake their Higher School Certificate Examinations in the first few weeks of next term. Their Graduation Dinner will be celebrated at the Cube at Campbelltown Catholic Club on Friday 7 November. This is a sad and exciting time for the students as part of their journey ends and their future begins. I ask that everyone keeps Year 12 students in their thoughts and prayers as they continue their journey and especially at this challenging time in their lives.

Dear Father in Heaven
You have guided and protected the students during their time at Magdalene:
   as our senior students prepare to leave
   for their study, exams, work and service
   that life beyond Magdalene,
guard and guide them with your blessing,
so that all their lives may always be shaped by the grace and truth
   which you have made known through Jesus Christ our Lord,
who lives and reigns with you and the Holy Spirit,
one God, now and for ever. Amen.

National Child Protection Week
“This week (7-13 September) is National Child Protection week. This year’s theme, “Protecting Children is Everybody’s Business - Play Your Part” stresses the importance of primary prevention to reduce child abuse and neglect. As the Catholic Church, we need to continue to play our part in creating safe and supportive environments where children are free from harm. NAPCAM have released a number of excellent brochures especially for parents to give them tips on how to listen to and speak with their children in order to help keep them safe from harm. Copies of the brochures will be made available to parents via the school office. You can also download the brochures and find out more about Child Protection Week at the diocesan website www.dow.org.au”

Congratulations to the following students who were acknowledged for their personal excellence at the recent school assembly.

God Bless

AUSTRALIAN CATHOLIC BISHOPS CONFERENCE
SOCIAL JUSTICE SUNDAY STATEMENT

We celebrate Social Justice Sunday on 28 September. This year’s Social Justice Statement is titled: ‘A Crown for Australia: Striving for the best in our sporting nation’.

The Statement celebrates the place of sport in our national life, especially the way in which it brings individuals and communities together and contributes to our health and wellbeing. At the same time, the Statement challenges to look at sport’s darker side – the potential for violence, abuse and corruption that blemish its image and disillusion those who love it most.

For further details about the Social Justice Statement, visit the Australian Catholic Social Justice Council website (http://www.socialjustice.catholic.org.au) or call (02) 8306 3499.

Summary

A Crown for Australia: Striving for the best in our sporting nation

The Australian Catholic Bishops’ Social Justice Statement for 2014–2015 challenges us to look at the place of sport in our lives. Where are its strengths and how can we ensure that sport can thrive and in return can nourish our society? Equally, what are the influences that are undermining and distorting sport’s ideals?

Most importantly, how can we work to realise sport’s potential to unite communities, overcome differences and be a force for social justice and reconciliation?

The Statement’s title refers to St Paul’s First Letter to the Corinthians (1 Corinthians 9:24–27), where Paul compares the athletes of the time competing for a ‘wreath that will wither’ with our aspiration for an imperishable crown as followers of Christ.

Australians are passionate about their sport. The nation seems to stop for a grand final or a crucial cricket test. Local sporting clubs are a nucleus around which a true community can grow up and flourish. Lifelong friendships are forged; young people learn skills and resilience; volunteers devote time and energy to their organisations. Sport brings together people who otherwise might never come in contact.

As our lifestyles become more and more sedentary, sport makes an essential contribution to our health and wellbeing, both physical and mental.

But there is another side to sport, one that can bring us disillusionment instead of delight. Too often, we see violence on the field, on the sidelines or in the street; we see abuse of drugs and alcohol; we see racism and abuse or exploitation of women; and we see a growing potential for crime and corruption.

This Social Justice Sunday, we are invited to explore how sport can help us celebrate sport’s gifts and use them to bring about God’s kingdom on Earth.
On Wednesday 27 August 2014 Riley Maguire and Sophie Cornett represented Magdalene Catholic High School in the MISA Year 10 Public Speaking Competition. This competition was held at Wollondilly Anglican College and was judged by representatives of Campbelltown Toastmasters.

Each student gave an eight minute prepared speech and a three minute impromptu speech. The calibre of the speeches and their delivery was exceptionally high. Both Riley and Sophie represented Magdalene in an admirable fashion. Riley was awarded a trophy for second place. I was very proud to be able to take two such exceptional students to this event. Mrs Antal

Each year Magdalene Catholic High School enters Year 8 Debaters into the MISA Debating competition. This competition involves debating with a number of schools in the Macarthur Region. After winning the semi-final against Macarthur Anglican College we are currently ranked second from seventeen schools. The defeat of Macarthur Anglican means that our team will be involved in the MISA debating final for 2014. This will take place against Good Samaritan Catholic College Hinchinbrook and be held at Broughton Anglican College.

Our Year 8 MISA Debating team includes Siobhan Suters (first speaker), Maddison Saysanavongpheth (second speaker), Jayden McAllister (third speaker) and Brandon Shaw and Luke Summers (who shared the role of fourth speaker/manager). These five young people have proudly represented our school and shown dignity, composure under pressure and genuine enthusiasm. They have willingly accepted and applied the adjudicators feedback to improve their skills. The successful result in the semi-final was a result of their great team work, analytical thinking and problem solving skills. It has been a genuine privilege to see their skills develop.

CONGRATULATIONS
MISA YOUTH OF THE YEAR - YEAR 9

"On Monday 1 September Harry Bendtsen and Alexandra Willis represented Magdalene in the Year 9 MISA Youth of the Year competition held at Mount Carmel Catholic High School.

The format of the day was an interview before a 3 person panel in the morning. All students were asked questions by members of the Campbelltown Toastmasters Club to explore the students’ awareness and understanding of current affairs. This was followed in the afternoon by a three minute speech prepared by the students in advanced on a local, national or international issue that is important to them.

Both of our students delivered excellent speeches in front of their fellow competitors, teachers and the judges. Alexandra’s efforts were even more impressive given that it was her first public speaking competition. The poise and confidence that both of our students demonstrated was amazing and the lead judge sought out Alexandra and Harry to congratulate them on their delivery.

We were also thrilled, but not surprised, when the judges announced that of the twenty competitors Harry Bendtsen was awarded first place.

Congratulations to both of our competitors on their fine performances and especially to Harry on a well deserved victory.

Mr Sinclair-Kydd, Year 9 Coordinator

MISA Year 7 Debating Day

On Thursday 4 September a number of Magdalene students took part in the MISA Debating Day for 2014. The purpose of this day was to introduce the students to the art of debating. Lucas Barreto, Emily Saysanavongphet, Elizabeth Lopez and Peter Cornett from Year 7 attended this day at Saint Patrick’s College Campbelltown. These students were wonderful ambassadors for our school. They were introduced to the skills and structure of debating before being given an opportunity to debate students from other schools. The students took part in two debates. They were narrowly defeated in the first and won the second.

All who attended had a very enjoyable day. It was a wonderful experience to see students so willing to learn and apply a new skill. Debating builds confidence, public speaking, and reason. The skills developed by debating are lifelong and beneficial in both the educational and employment arenas.

Love, Belle - A Musical Memoir (Performance Isaiah Osman Year 7)

Based on a true story, ‘Love, Belle’ is a musical memoir chronicling the relationships of perpetual single mum Belle played by Lyric McFarland (The Voice 2013, Brown Sugar). Orphaned at age 9 yrs, widowed at age 22 with two daughters, she tries again and again for a shot at happiness. Three more children and 2 nasty break-ups later; she is now a hard working solo mother with FIVE children who depend on her! If not for the support of brother Stefan and his wife Kat she would surely not have survived this long...

Isaiah Osman (Year 7) stars in “Love, Belle A Musical Memoir” at Campbelltown Performing Arts as one of Belle’s son’s – Junior. Isaiah is a talented singer and actor and is performing in his first musical. Since being discovered Isaiah has continued to grow in confidence and develop his talent in singing and acting.

Some of the cast at the ‘Love, Belle’ charity night for White Ribbon to raise awareness of domestic violence against women in Australia.
Throughout term two and three the following Year 11 students have been participating in the CARRINGTON AGED CARE VISITATION Program: Theresa Azzi, Madeline Berrell, Ben Brown, Dana Decipeda, Kayla Grech, Lucy Huxley, Amy Johnston, Bianca Messiina, Georgie Paterson, Hannah Portolesi, Bonnie Walters, Celene Watson, Jessica Whittall, Zoey Willis and Joanna Younan.

In this program, the students are in groups of two or three and are paired with an elderly person who they spend quality time with each week on a Tuesday afternoon. At the end of the program the students create a presentation about the person’s lives. The Presentation afternoon tea took place on Tuesday 2 September and it was a terrific afternoon of stories shared and friendships fortified. We thank Mr Lo Cascio, Mr Elliott, Mr Zakris and Mrs Borg who came to support the students at this event and they were also most impressed with our students. We would like to thank and honour in particular, Mrs Shareen Borg who has been the Coordinator of this program over the last 3 years. She has done a marvellous job in looking after all the logistics as well as guiding and caring for the students in this important pastoral work. This is our 4th year visiting Carrington Nursing home and it has been a most valuable learning opportunity for our students and a wonderful partnership between Magdalene Catholic High School and Carrington Aged Care.

We are very much looking forward to continuing this partnership with our Year 11 students of 2015. Congratulations to these Year 11 students who represented the school so beautifully with their care, generosity and thoughtfulness. They are a credit to their families and to our school.

Magdalene HSC Drama students were examined on their Individual and Group Performances by BOSTES on the 20 August. The positive energy and support for one another that each student brought to the examination was outstanding. The HSC Drama students have worked with commitment throughout the year and they should all be very proud of their achievements.

ITALIAN EXCURSION 2014

On the 17 September, 20 Magdalene students are travelling to Italy for 18 days. For some, it may be our very first time, for others, it may not be. One thing we all have in common is the fact we are all incredibly excited about this trip. Getting to visit one of the most popular countries, with our closest friends (and favourite teachers) is definitely an amazing experience, which not many people can say they have participated in.

Travelling to 16 towns and cities, visiting 12 historical sites, taking in all the culture and staying in 6 amazing hotels will definitely be memories that will last a lifetime. I am so excited to see Italy and all it has to offer. None of this would be possible if it wasn’t for our incredibly determined and hard working teachers, who have been putting every spare minute of their time, towards organising this trip, ensuring it is going to be most memorable, exciting and safest it can be. - Taylah Jordan

**ROAD SAFETY EMERGENCY SERVICES**
A reminder to all drivers to keep the roundabout area at the front of the school cleared for emergency services.

Ambulances at times have to be called to the school for sick or injured students and this area needs to be kept clear.

This is to ensure that the fastest response time is adhered to in the best interests of the sick/injured person.

Thank you for your support and cooperation in this matter.
