Dear Parents, Students, Staff and Friends of the Magdalene Community,

Last week our school assembly was centre stage for the launch of the 24 Hour Fight Against Cancer. Special guests at the assembly included State Member for Camden Mr Chris Patterson, Mayor of Camden Ms Lara Symkoviak, Mr Fred Borg Chair of Fight Against Cancer and Special guest - Para Olympian and local resident Mr Paul Nunnari who is the local ambassador for Fight Against Cancer. Also included among the guests were the Fight Against Cancer Team and sponsors of the event. From Magdalene the team went, to other schools in the area to seek further support for the appeal. The fact that the school was chosen to launch this year’s campaign is truly a reflection of the esteem in which Magdalene is held in the community. It is also a reflection of our commitment to supporting others. The 24 Hour Fight Against Cancer appeal will be held on 19 October and the school has a team involved. If anyone would like to be involved or support the team with sponsorship please contact the office for details.

Last week the student leaders for 2014 were announced to the community. The senior leaders underwent a process where by they: presented a leadership portfolio, were involved in giving speeches, were subject to a student and staff vote on the leadership day and finally were chosen through a process of voting and discernment. Each person elected has accepted the role of leader of the student body in 2014. The positions they have accepted are both challenging and rewarding. They all accept the fact that they will be collaborating with and of service to the community in their leadership. I congratulate each member of the leadership team on their election and ensure those who were not elected that their contribution to the community will also make a difference as we enter 2014. Special Congratulations to School Captains: Jaqueline Marshall and Joshua Appleton and Vice Captains: Carly Reynolds and Cody Newton. A list of all leaders is included with this newsletter.

Last week Year 11 students completed their involvement in the “Carrington Project - Through My eyes”. This project involves students in Year 11 working with a number of residents of the Carrington Nursing home each Tuesday afternoon. The aim is to produce the resident’s life story and promote a positive interaction between students and the residents. Once again the program proved to be successful and emotional as the projects were presented last Tuesday. I thank Mrs Borg for her organisation, the students and residents for their involvement and Carrington Nursing Home for allowing us to be involved in this most rewarding experience.

Last Friday our school assembly acknowledged a number of students for outstanding performances in their studies in Semester 1 as well as recipients of 100 Merit Awards. These students have been outstanding in their commitment to their studies and school life in general. I acknowledge their outstanding performances and commitment to achieving their personal best. The names of award recipients are included in this newsletter.

This week our school was visited by Year 5 students from St Clare’s from Narellan Vale. Students had the opportunity to experience high school for a day. The experience involved Mathematics, PDHPE, Science, Religious Education and HSIE. The program is a reflection of the commitment of Magdalene to ensure a smooth transition for students to high school. From all reports students enjoyed the day and gained some positive insights from the experience.

*Strong minds, gentle hearts*
This week was to have seen the release of NAPLAN results to schools. Unfortunately the results have been delayed due to unforeseen circumstances. When released the results will be closely scrutinised to help set future directions to aid student learning. NAPLAN results will be delivered to parents and students of Year 7 and 9 during Week 2 Term 4.

Today 13 September I have the pleasure of attending the Educational Service and Achievement Awards for the Wollongong Diocese for 2013. Mrs Carol Dobbie will be presented with an award as an acknowledgement of her commitment to the education of students in many areas of school life at Magdalene. I congratulate Mrs Dobbie for this well deserved recognition. The citation read out at the awards is included with this newsletter.

This coming week there will be a number of events to farewell Year 12 as they begin their journey to the HSC Examinations and beyond Magdalene. Students will have a farewell breakfast and assembly on Thursday and a Graduation Mass on Thursday evening. This is both an emotional and a challenging time as they continue their life journey. I ask everyone to please keep Year 12 in their thoughts and prayers as they conclude their time at Magdalene and especially as they move towards the Higher School Certificate Examinations.

Loving God
be with the students of Year 12 now,
as they prepare for their exams.
Thank you for the many talents and gifts you have
given them and for the opportunity of education.
Calm their nerves and anxiety, help them
to remember all that they have studied,
to express it clearly and to answer the questions
the very best that they can.
Holy Spirit, sit with them in their exams
- and always.
In Jesus' name
Amen

As this is the last newsletter this term I wish all students a safe and restful holiday and look forward to an enthusiastic return in Term 4.

God Bless

Mr John Lo Cascio
Principal

Thank You
Thank you to Mrs Tonei Ahern for organising a fundraiser for Corey Lake at Events Campbelltown on Monday 9 September. Thanks to everyone from the community who was able to support the evening.

Uniform Change
Last week, after some consultation it was decided that female students would have the option of wearing stockings or socks as part of the school uniform for the last two weeks of this term. Added to this all students were given the option of wearing blazers for the remaining two weeks of term. The decision came about as a result of a request from a number of students. This request was a result of the unseasonably high temperatures and warm weather. This situation will be reviewed in future years in order to ensure the uniform is worn correctly while taking into consideration student needs.
Mrs Dobbie Citation for Educational Achievement Award

Mrs Carol Dobbie is a committed and dedicated teacher who continually promotes student achievement both within and beyond the classroom. As a Mathematics teacher Mrs Dobbie gives of her time in order to extend students within her own class and supports students from other classes when they need support. Mrs Dobbie is the Careers adviser and makes herself available at all times. Although employed in a .8 FTE capacity Mrs Dobbie ensures that she is readily available and often supports students on days when she is not rostered to be present at school and during school holidays. Mrs Dobbie provided numerous opportunities for students and these have allowed students to gain greater understanding of their career paths and in many cases transition to work. In 2012 and again in 2013 Mrs Dobbie instigated and implemented the MATE program which allowed Year 10 students to establish a link with South Western Sydney TAFE while accessing support for their school work.

Mrs Dobbie has organised students to be involved in gifted programs at the University of Wolongong and has accompanied students to these enrichment days during school holidays. She continually seeks ways to ensure students use their talents, she recognises opportunities and encourages students to be involved in these wherever possible.

Mrs Dobbie took a leading role in the school’s Social Justice group in 2011 ensuring leadership and commitment of students to a number of Social Justice initiatives. Mrs Dobbie aimed at developing both their enthusiasm for Social Justice and student commitment to the welfare of others.

Mrs Dobbie took leadership of the Environmental group in 2012 and has continued that role in 2013. In this position Mrs Dobbie has helped to develop a vegetable garden area, sought and secured a grant for an environmental walk and cleared and developed an environmental enrichment and outdoor learning area. This alternate learning area has allowed students to gain a greater appreciation of the environment through a very practical approach.

In her roles Mrs Dobbie has managed to develop positive links with parents and the wider community. This has enabled her to ensure that she has the confidence of parents while supporting students on their journey beyond school.

In all of her endeavours Mrs Dobbie strives to improve learning and develop the whole person who will be fully equipped for life beyond Magdalene. She has continually recognised and catered to the needs of numerous students in the Magdalene community and as such deserves recognition.

DRAMA RECOGNITION

Louie Bendsten of Year 12 Drama has just received a nomination for OnStage - for his HSC Drama Performance. This is a fantastic accolade for Louie who is extremely talented in front of an audience! This is also a first nomination for OnStage for Magdalene.

This award is also a reflection of the inspired teaching of Miss Emma Flick who has nurtured Louie (and all of Yr 12 Drama) to be able to produce such outstanding performances.

Congratulations!
Leadership Day 2013

Student Leaders 2013

School Captains: Joshua Appleton and Jaqueline Marshall
School Vice Captains: Carly Reynolds and Cody Newton
Faith and Liturgy Councillor: Emily McFarlane and Eloise O’Meara
School Spirit Councillor: Jayden Caccamo and Chiara Assetta
Environment Councillor: Keziah Duguid and Madeleine Rosevear
Social Justice Councillor: Tiarnne Brown and Bianca Collimore
Sports Captains: Morgan Kitchener and Jackson Harrison
Bruchhauser House Captains: Emma Potocki and John Rodden
Dunne House Captains: Sophie Fenech and Brock McDonnell
Hogan House Captains: Elizabeth Coluccio and Christian Dankers
Moore House Captains: Georgia Fitzpatrick and Jake Lombardo
Segdwick House Captains: Madeleine Vella and Campbell Green
Wilson House Captains: Katelyn Hokin and Jordan Wales

Year 7 SRC: Teagan McConchie, Jeramyah Beauchamp and Lauren Avero
Year 8 SRC: Peta Alvaro, Harry Bendtsen and Zachary Bond
Year 9 SRC: Elyse Beauchamp, Riley Maguire and Laura Barillaro
Year 10 SRC: Jessy Ciappara, Emily Sutherland and Ricardo Rahme
On Friday 6 September Paul Nunnari came to Magdalene to raise awareness for the ‘24 Hour Fight Against Cancer’. This year the walk will be held on the 19 and 20 of October and we have a Magdalene staff and student team participating in this event named “Courageous Corey and the Magdalene Community”.

‘The 24 Hour Fight Against Cancer’ has raised funds for many local support facilities, including the Macarthur Cancer Therapy Centre, the Paediatric Ambulatory Care Unit and the Palliative Care Unit, as well as being involved with the new Oncology Ward beginning at Campbelltown Hospital. ‘The 24 Hour Fight Against Cancer’ is an initiative that ensures that all funds raised are invested in the Macarthur region.
Assembly 6 September 2013

Congratulations to the following students and friends who supported the community by attending the St Vincent de Paul Doorknock appeal. They are to be congratulated for giving their time to help others in need.

St Vincent de Paul Certificates

Students and Friends

Staff and Family
Mrs Maria Cuomo, Mr Greg Elliott, Mrs Marie Elliott, Mr John Lo Cascio, Mr Ralph Loyola, Mrs Kylie McAllister, Mrs Kaye McClure, Mr Stephen O’Neill, Mr Marty Pannell, Miss Marie Partridge, Mr Damian Sligar, Mr Joe Trimarchi and Mr Kevin Wright.

MISA Youth of the Year Competition

Congratulations to the following students for Participation in the MISA Youth of the Year Competition.

Sophie Cornett and Riley Maguire.

100% Half-Yearly Examination in Commerce
Caitlin Whalan

Congratulations to:
Tiani Vanderburg

Tiani Vanderburg has been to the Netherlands to compete in the International Cup for Baton Twirling. She competed in four events.

In a Pair Performance with a partner named Kirsty Johnson who travelled with us she achieved a great result. They were placed 9th after qualifying for the final. The 1st 10 are placed into the final. The girls had a faultless, no drop performance both times which is very rare.

This is the best result Australia has ever had in this event.

Bailey Whitley

Bailey made a television appearance on the X-Factor supporting Jai Waetford on Sunday evening 8 September. Bailey performed as part of a dance routine as backup. Congratulations on Bailey’s magical moves. What a great performance.

Justin Smith

Congratulations to Justin Smith who has been invited to play in the Parkes Open Golf Tournament during September. Well done and Good Luck with your Tournament.

Sheree Farrell

From 9 September, Sheree Farrell attended the National Swimming Championships in Adelaide. She competed in the U14s 200m Butterfly, 4 x 50m Individual Medley Relay and 4 x 50m Freestyle Relay and 50m Backstroke.

At the time of printing Sheree Farrell had finished 2nd in the 200m Butterfly at The National Swimming Championships in Adelaide.

Well done! What a great result and good luck with the rest of your races.
Congratulation to the following students who have received Merit awards this term.
They are to be congratulated for their outstanding achievements.

50 Merit Awards

7 Bruchhauser
Lacey Boss; Bethany Cooper; Bethany Jenkins; Maddison Lynch; Chloe Maryska; Luke Sawyer-Hamilton; Shae Storkey; Emily Trajkovski; Sarah Vella and Brianna Voulgaris.

7 Dunne
Jarrod Cruickshank; Jamie Dallas; Ethan Elliott-Buckley; Emily Fenech; Georgia Francois; Mark Golding; Kayla Green; Emma Greenhalgh; Mikayla Haines; Connor Henderson; Mitchell Hoogeveen; Elisabeth Kelly; Jayden McAllister; Kate McDermott; Carly Monaghan; Luke Neal; Zoe Neal; Kayleigh Reader; Georgia Rye; Maddison Saysanavongpheth; Brandon Shaw; Siobhan Suters and Brooke Walden.

7 Hogan
Jade Abbey; Menio Banos; Jeramyah Beauchamp; Renae Bligh; Stephanie Brancato; Benjamin Carroll; Taihla Daw; Claire Fleming; Kimberley Franks; Bridie Kelly; Genevieve Lamont; Teagan McConchie; Connor McFarlane; Rebecca Miller; Sophie Moudawar; Mitchell Poole; Monica Porteiro; Stephanie Robinson; Antonia Romeo; Timothy Stewart; Adrian Varela; Elise Vella and Zane Watson.

Tom Papara – Mahogany Louis XV Commode Bombe

Eric Bates – Jarrah and Hoop Pine Twin Drawer Coffee Table

Liam McAlister – Camphor Laurel and Rosewood Gothic Throne (Inset of concealed drawer)
Year 12 Design & Technology

The HSC Design and Technology Course is based on the development of the intellectual processes associated with designing and producing. The course has a unique focus on creativity, innovation and the successful implementation of innovative ideas.

Throughout the HSC course students are given the opportunity to identify and explore a need, then develop their design skills by designing and creating a solution to the identified need in the form of a product.

The 2013 HSC class has designed a wide variety of unique and interesting products.

Matthew Miskell
Designed and produced a 360 degree panoramic tour of the school where user can navigate around the school moving from room to room and then with the click of a button pan around the entire room. The aim of the tour is to promote the school in the local area and to market the school to potential new students.

Joshua Bourke
Designed and produced an interactive chemistry ebook (textbook) for senior students. Unlike a hardcopy textbook the ebook allows students to interact with the content they can move and manipulate models, watch videos and complete self marking topic test that are all built into the ebook.

Nikolina Bazdaric
Designed and created a stop-motion movie specifically aimed at educating young children about safety issues that relate specifically to them. It covers topics such as stranger danger, road safety and safety around the home using small stuffed animals and toys as characters.

Only a few of the many creative and innovative design projects from this year’s class have been listed. I would like to take this opportunity to congratulate the entire class on the hard work and dedication that they have shown throughout the entire course - congratulation and well done.

Mr Danny Avalos
Design & Technology Teacher
On Wednesday 4 September, 9 teams of students ranging from Year 8 to Year 10 represented Magdalene Catholic High School at the 2013 Regional Finals for the Macarthur Hub of F1. With portfolios, palm cards, presentation stands and their miniature F1 race cars in hand; the anticipation and enthusiasm was easily felt as the day kicked off.

This year the finals were held at Magdalene with the full range of competition on display. On the day, two teams from Year 8 (Ace Racing and Vulcan Racing) formed the Cadet Class with extremely competitive times kicking off the day. Both teams were within 3/100ths of a second of each other with times of 1.126 seconds and 1.155 seconds and presented an engaging digital and poster booth pit stand.

In the middle of the day competition heated up with the three Development Class teams (Atomic Racing, Radiation Racing and Black Legion Racing) on display and going through their judging sessions. Each of the teams presented their cars, portfolio and verbal presentations to the 3 panels of judges. When it came to racing, the nerves really kicked in and times were fiercely competitive and impressive for their first time competing. The standout team on the track was Black Legion with the quickest time at that point of the day with a 1.080 seconds, which later was improved further with a 1.075 seconds.

Throughout the day students gained feedback from each of the judging panels and a strong sense of achievement was a buzz in the room. All teams completed their major judging areas with a hard earned sausage sizzle and a drink kindly prepared by the IT Department and Mr Trimarchi.

With Professional Junior and Senior Classes not yet raced, the afternoon turned very competitive and serious. Each of the 4 teams had been involved in last year’s competition in some way and the time invested in the refinement and advancement of their miniature F1 car was clearly evident. Each team had developed and manufactured some aspect such as wheels, axle and bearing systems or aerfoils for their car design with the use of the TAS Departments UP Mini 3D printers.

It was time to race the best of the best, with some great times to beat by Cadet and Development Class. Racing started with competitive times set by Outlaw Performance (Year 9) showing improvement over the last year. While Falcon Racing (Year 9) had put forth a very strong and competitive car, their weight of the car resulted in some slightly slower times than expected.

The last 2 teams to hit the track were Swift Racing (Year 9) and Gamma Rayzing (Year 10) both teams cars were a standout on the day with times within just a few hundredths of a second between each other and both setting times quicker than Black Legion Racing. Swift Racing – 1.061 seconds and Gamma Rayzing 1.031 seconds, the quickest of the day. It was going right down to the Knockout Race to see who were the victors of the day. With both teams sending their cars down the track Swift Racing set a time to beat of 1.085 seconds which was extremely fast. It was until the last race that Gamma Rayzing flew down the track and set a time of 1.065, 2/100ths of a second faster. It was nail biting stuff.

With all judging finalised and the scoresheets coming in, not only were race times brilliant, teams certainly had put forth some great verbal presentations and detailed portfolios of which outweighed the race track performances 10 fold.

The outright winners of the day in each of the category classes were:

**Professional Senior** (Year 10) – Gamma Rayzing; Luke Papandrea, Jordan Duncan, Troy Minor, Jesse Ciappara and Matthew Said. (also Professional Class Regional Champions)

**Professional Junior** (Year 9) – Swift Racing; Joss Taylor, Brittany Tekely, Liam Duguid, Jordan Vella and Warwick Suters.

**Development** (Year 9) – Atomic Racing; Anthony Mileto, Anthony Lazareski, Jack Stone, Liam O’Rielly and Joseph Timpano. (also Development Class Champions)

**Cadet** (Year 8) – Ace Racing; Thomas Carroll, Alex Nies and Alexandra Willis.
2013 Macarthur Hub Regional Finals

A huge big thank you also needs to go to Janelle Henson and Amber Hope from MWLP, Chris Ferry from Mercedes Benz Macarthur, Phillip Watson from MAC Credit Union and Maggie Farrell from Australian Industry Group for giving of their day to be the official judges for this years Regional Finals.

The teams that have been invited to move through to the State Finals are: **Gamma Rayzing, Swift Racing, Falcon Racing (wild card offered) and Atomic Racing**. Huge congratulations to all students involved and we look forward to hearing the news from the **State Finals on 8-10th of October at UWS Kingswood, Penrith** early next term.

Year 10 MISA Public Speaking

On Wednesday, 28 August, Hannah and I had the privilege of going to Wollondilly Anglican College for the Year 10 MISA Public Speaking Competition. This competition involved an 8-minute prepared speech on a given topic and a 3-minute impromptu speech. Public speakers from across the Macarthur region presented polished and highly researched speeches. The standard was high and rather intimidating. The impromptu was what we both dreaded, but funnily enough we both ended up enjoying the challenge.

Hannah received a well-deserved first place and I came second. We both had a great day and thank Mrs Barreto for taking the time to work with us.

Benjamin Brown

Macarthur Workplace Learning Program - MWLP

Congratulations!! Magdalene Catholic High School has students nominated for the 2013 MWLP Work Placement Honour Roll which rewards excellence in HSC VET work placement. It is made up of students who have been identified by their host employers as being outstanding during their week of work placement. The following four students have been selected on the Honour Roll.

On the 28 May a group of year 11 students participated in the Carrington Aged Care 'Through our Eyes' Program 2013. It was a 14 week program but was worth every minute of it. The students who participated were Taylah Kral, Emma Dunlop, Carly Reynolds, Sarah Kennedy, Emily Clarke, Johnny Azzi, Alison Kidd, Louise Smith, Dylan Malisano, Liam Frappell and Bianca Collimore. This was a wonderful experience for everyone we all got to learn about the wonderful lives of 5 elderly people and all the amazing adventures and journeys they have taken. We interviewed them every tuesday for 13 weeks and made a presentation of their lives which we then presented to them on the 3 September 2013. This was a fabulous day filled with lots of smiles and a few tears but the overall feeling in the room was joy and excitement. The elderly people finally got to see the presentation of their lives 'Through our eyes'. it was a great experience and day and I would recommend the younger years get involved.

Thank you Bianca

As young people it's hard to find a place in the world, and to establish a direction on the mark you want to leave behind. Carrying on the third year legacy of The Carrington "Through my eyes" Program, we were able to form well established relationships with Carrington Residents, and have the privilege of the residents sharing their life and their stories with us lucky students. Since Tuesday 28 May, we started to document the life story of each of our selected residents. They shared with us their trials, hardships and joys, and the mark that they left on the world. This makes us appreciative, of what we have, and to not take anything for granted, especially the joy of youth and the power of education. The presentation day on Tuesday 3rd of September was a wonderful afternoon, with the attendance of Carrington CEO and other Chief of staff, Residents and their families, Magdalene Student's and their families, Mr Elliot, Mr Pannell and Mr Lipscombe. This afternoon was a memorable moment for the Residents and Students, we believe the residents cherished and will never forget. It's safe to say that the residents enjoyed our presence and the time we shared with them, and both students and resident's wish to keep the relationships we established for a long time.

Carly Reynolds
A huge thank you to all of the sponsors who contributed to the Wild West Trivia Night. The night was a huge success with your support.

Year 10

Year 10 will be participating in the following Elective Sports:
Ten Pin Bowling, Mount Annan Botanical Gardens Walking Group, Camden Bike Track Walking Group, Boxing for Fitness (Grange Old School Boxing – Smeaton Grange) and Beach Soccer Volleyball (Camden Bowling Club).
Transport will be by bus except for the Boxing Group who walk to the venue.

Year 9

Year 9 will be participating in the following Sports on a rotational basis:
Connections Gym Fitness, Ten Pin Bowling at Campbelltown Bowl (Leumeah) and School-based games.
Transport will be by bus to external venues.

Year 8

Year 8 will be participating in Multi-Sport, in the following activities, on a rotational basis:
Giants AFL-Jack Nash Reserve, Martial Arts, Dance Fitness, Group Fitness and Park Sports.
Travel to Jack Nash Reserve will be by bus, other Sports are school-based.

Year 7

Year 7 will be participating in Indoor Sport, in the following activities, on a rotational basis:
Cycle Fitness – stationary bikes (Hillbrick Indoor Cycling Centre – Smeaton Grange), All-Sports Indoor Sports Centre (Smeaton Grange), Bujutsu Martial Arts – Smeaton Grange, Toodokan Self-Defence Academy- Smeaton Grange.
Transport to All-Sports, Bujutsu and Toodokan will be by bus. Students participating in Cycle Fitness will be walking to the centre.

Students who are unable to participate in Sports

If your child is unable to participate in any of the sports/activities listed above due to medical reasons a note needs to be supplied to Mr Kennedy – Sports Coordinator.

MISA FINALS RESULT TERM 3

On 10 September our teams played in the MISA Finals for Term 3. This has been a great term for MISA Sport and Magdalene is heading for a good overall result in the competition.
