Dear Parents, Students, Staff and Friends of the Magdalene Community,

Today we welcomed the Year 7 2017 students to Magdalene as part of their orientation for next year. It was pleasing to see staff and students genuinely engaged with the Year 6 girls and boys and making them feel that they are a part of this special community. The organization by Mrs Forner and the SRC, along with the work of the staff, allowed our new students to experience aspects of the school so they will be very comfortable when they return in 2017. Thank you to all staff and students involved.

Last Friday evening the Year 12 Formal was a wonderful celebration for Year 12 students, their parents and staff. On behalf of all who attended I thank Mrs Foti for her tremendous organization of this annual event. Thank you to the Year 12 Pastoral Team for your attendance and work throughout the year. Year 12 are now enjoying a well deserved break and are looking forward to the next phase of their journey through life. We wish them success and happiness.

Students in Years 8, 9 and 10 have now completed semester examinations and will soon receive feedback on their progress. I would like to urge all students to stay focused in their classes over the next 5 weeks of this term. The ongoing work across all subjects is important, as is the feedback from assessments as improvement can occur. Regular revision, attendance and commitment to excellence are all ingredients for success.

Last week Mrs Foldes and I had the opportunity to visit the Year 11 Retreats and spend some time with our senior students and staff retreat teams. To take time away from school as a year group and engage in a program that will challenge you to stop and think about who you are, your faith, relationships, purpose and role in life, is vital to one’s development and formation. I commend all students for the way they engaged in the retreat and their openness to learning more about who they are as young people and seniors. Sincere thanks to the entire staff retreat team, under the leadership of Mr O’Neill and Ms Flocco, for their work and commitment and to Fr Michael and Father Joe who gave the sacrament of Reconciliation and celebrated Mass.

Thank you to all staff and parents who took time to complete the online survey in regards to the selection of the new Principal for Magdalene. This selection process continues and it is anticipated that an announcement will be made in the coming weeks.

As we celebrate Rememberance Day today I offer the following prayer for your reflection:

Prayer for Deceased Veterans

O God, by whose mercy the faithful departed find rest, look kindly on your departed veterans who gave their lives in the service of their country. Grant that through the passion, death, and resurrection of your Son they may share in the joy of your heavenly kingdom and rejoice in you with your saints forever.

We ask this through Christ our Lord.

God Bless

Mr Michael Mullaly
Acting Principal

Strong minds, gentle hearts
Year 7 Catholic Mission

During Week 1 and 2 this term Year 7 were responsible for raising awareness and fundraising for Catholic Mission.

Catholic Mission is an Australian organisation who locally and globally, answer the call to love God and love our neighbour, and work to establish the Reign of God through building communities of missionary disciples of Jesus who share their faith by proclaiming the Word, serving people in need and acting for justice. Compelled by the message, life and love of Jesus Christ, we form Australians for mission and raise funds for mission - in Australia and around the world. Catholic Mission operates in over 160 countries to support initiatives in 1,100 dioceses, including remote Australia. Mission in action happens right now and for generations, to help people immediately, longer term and eternally. We engage in mission when we proclaim our faith through our words, actions and lives.

The 2016 Catholic Mission Church Appeal focuses on the poorest and most disadvantaged communities of Cambodia, and other developing countries all across the world, where children are always the most vulnerable. Parishioners are invited to reach out through their financial gifts and prayers to support the work of Sister Eulie Desacula from the Daughters of Charity, who has initiated the innovative Mobile Tuk-Tuk Education Centre. The centre enables teachers to bring mobile classrooms out to children from disadvantaged communities and gives them an education they would otherwise never receive. Together we can give life and a new future to the children in Cambodia and all around the world today.

Year 7 ran numerous guessing competitions and a coin line event for Year 7 during our Pastoral Lesson. The coin line was a success not just in the money we managed to raise for Catholic Mission but also the teamwork and efforts each PC class put in to achieve great results for the whole grade. Great work!

There were prizes and house points awarded to two PC Class for the length of their coin line and the other for the amount of money raised. The total raised for the event was fantastic. We are truly blessed with the most generous Year 7 students.

Coin line LENGTH:
6th place - 7W
5th place - 7H
4th place - 7B
3rd place - 7S
2nd place - 7D
1st place - 7M - 36.55m!!!!

Coin line MONEY VALUE:
6th place - 7W $41.25
5th place - 7H $51.85
4th place - 7S $58.25
3rd place - 7M $151.10
2nd place - 7D $176.45
1st place - 7B $207.60!!!!!!!!!

Total Raised for Catholic Mission: $686.50

A big thank you to Year 7 and the PC Teachers for all their assistance during our Catholic Mission fundraiser.

Mrs Mamone
Homeless Hub

This event was organised to provide services to the homeless such as dental and medical. Vinnies provided the lunch and 6 of our students, Genevieve Lamont, Brooke Peters, Lauren Avero, Maddison Saysanavongpheth, Renae Bligh and Kimberley Franks did the serving.

On Friday the 28 October a group of six Magdalene student volunteered their time to assist at the Homeless Hub at Campbelltown Civic Centre. The day is organised to allow the less fortunate of the community to access a range of services at the same place that they may otherwise not be able to access.

The day was extremely eye opening, as we got to experience first hand the large number of homeless people in our community. The day as a whole was very successful and beneficial for the less fortunate people of the community as it provides support to allow them to get back on their feet. The organisers thanked us for our participation and we look forward to attending again next year to once again help out in the community. Overall we learnt a lot about the struggles that many people face and how they cope with these issues.

Written by Renae Bligh

CAUGHT READING

Name: Merilyn Harris

Position: Science Assistant

Q. What are you reading?
A. ‘Great Expectations’ by Charles Dickens.

Q. Why are you reading it?
A. Dickens’ novels have really stood the test of time and I like reading his books for the historical aspect and the plot twists. I particularly like the fact that they show how people have not changed. There was still the same mix of personalities in Dickens time as there is today.

Q. Is reading important to you?
A. Reading is very important to me as it allows me to step away from my day-to-day routine and forget about all the work I should be doing! Apart from well-written novels, I love reading anything to do with the natural environment, such as Australian Geographic. I’m also a serious news ‘junkie’. I like to know what is going on in the world. I read biographies and autobiographies as I enjoy learning about the lives and journeys of different people.
Year 10 - Arts Projects Masterclass Program

C-A-C & Kaldor Public Arts Projects Masterclass Program

For a period of two months we, McKenzia Duguid, Maddy Saysonavongpheth and Bronte Pengo from Year 10 Visual Arts, dedicated eight Saturdays to an Art Masterclass offered by Campbelltown Arts Centre in conjunction with the world renowned ‘Kaldor Public Art Projects’. Our goal was to create a ‘professional zine’ which is simply a self-published magazine article, website or book.

During the Masterclass we met a number of other Year 10 students from local schools, who share our passion for Visual Arts and Photography, as well as art professionals working in a range of fields including curators, art educators, installation artists and community art collaborators.

In the very first week of the course we met Alia Dipaolo (C-A-C Lead Educator) and travelled to the Royal Botanic Gardens where we were introduced to Jonathan Jones, who won the 2014 ‘Your Very Good Idea’ competition run by the world famous Kaldor Public Art Projects. Jonathan explained to us his current work, barrangal cyara (skin and bones) which commemorates the ‘Garden Palace’, an amazing world exhibition centre built in 1879 and burnt down in 1882 on the site near where the Sydney Opera House stands today.

Burning of the Garden Palace, Sydney, September 22, 1882, as seen from Macquarie Street, 1882. Photo: Courtesy National Library of Australia

On the weeks after we travelled to the Australian Museum, learning about the Garden Palace’s Spot Fire 3: Loss and resilience and its cultural significance to Aboriginal and Torres Strait Islanders. We explored the Art Gallery of NSW to view a series of works, were given a guided tour through C-A-C and learnt all the essentials of curating.

As we did all these wonderful things we were given an exciting new challenge; to produce our very own collaborative series of artworks in the form of a zine. As we began to brainstorm our experiences we realised just how many possibilities exist. We were given a workshop about the fundamentals of zine making, from printing, image quality, paperweight and the pros and cons of glue and matte finishes. To get the creative juices flowing we met up with Branch Nebula (an art collaboration between Lee Wislon and Mirabelle Wouters) who introduced us to their latest project SWARM. We were encouraged to venture around Queen Street in Campbelltown, to find and photograph all the interesting little places that usually go unnoticed.

As we were nearing the final weeks, we had a workshop with Matthew Prest and his work with SWARM, and we made our final touches to the zine.
Year 10 - Arts Projects Masterclass Program

For the final Saturday of the Masterclass we went to the Royal Botanic Gardens for the opening of Jone’s of berrangal dyara (skin and bones). We then were part of a public presentation in which we shared our journey as a group and the experiences that came from that. And to top off this amazing experience, we enjoyed a picnic at the Botanical Gardens with all the beautiful friends we’d made!

After working in such close collaboration with professionals such as the curators of the C-A-C and professional artists like Jonathan Jones and Branch Nebula, we were thrown some of the best possible opportunities an art student could hope for. It’s not every day one finds themselves becoming invested in an internship with an art gallery after speaking to the lovely ladies curating the C-A-C, not to mention working with PROFESSIONAL ARTISTS!!! “squeals like a twelve year old girl meeting Justin Bieber” Yes - the opportunities were endless. Some of us are also considering volunteer work during the summer holidays because we loved the experience so much.

Mckenzie Duguid, Maddy Saysanavongpheth & Bronte Perigo

I made a lot of friends, people I would not have spoken to otherwise. I feel that over the course of the 8 weeks, we became a team, dedicated to causing trouble in the name of art. In a nutshell – it was a lot of fun!!

Maddison Saysanavongpheth

The C-A-C and KPAP Masterclass program has been enlightening to me in the way that I now view how artistic practices come to life in the real world. It has been such a wonderful experience to meet and learn about so many artists, and be included in their process work. Our group has collaborated to bring all artistic style together and create this zine. I have been a part of so many unforgettable things because of this program!

Mckenzie Duguid

“This masterclass has given me the chance to expand my horizons and think about a whole different spectrum of art. I’ve found it really encouraging to meet so many incredibly talented people and to put all of our different artistic styles together in our zine. It was a really fun opportunity that I’m glad to have been a part of.” - Bronte Perigo
Pixel Prize Finalists

Two Photography students were awarded as finalists in this year's prestigious Pixel Prize. Brittany Atkins and Elizabeth Gatt both submitted images representing this year's theme 'My Generation' competing with over 180 students entries, to have their work hung as part of the final exhibition at McGlade Gallery, Australian Catholic University.

The Pixel Prize is open to high school students from Australia (New South Wales, Victoria and Queensland) and from Bangladesh, Mauritius and Sri Lanka who have a passion for photography. The Pixel Prize encourages students to address a topical theme through a creative, visual medium. The young photographers are given the opportunity to connect with a photographic community and share their work with friends, family and the public.

In 2016, the theme 'My Generation', was aimed at encouraging students to use their camera lens to capture aspects of their own lives in its personal, social, cultural, political and economic dimensions.

We congratulate both Brittany and Elizabeth on their successful entries.

Visual Arts Department
Magdalene Cup 2016

On Tuesday 1 November the annual Magdalene Cup was held on a glorious day with a firm and fast track. Large fields contested both the A.P. McManus Plate (Year 7/8) and Magdalene Cup (9/10/11). Handicapping proved crucial once again with the best dressed gaining the advantage. Well done to all participants!

Year 12 Legal Studies Excursion

On Wednesday 26 October, our Year 12 Legal studies class travelled to the city to experience our legal system in action. Students met at Macarthur Station before heading to Circular Quay to visit the Public Relations Commission and the NSW Civil and Administrative Tribunal (NCAT). At the Public Relations Commission we were privileged to meet with Commissioner Tabbaa who spoke about the method of conciliation and its proceedings. We were fortunate enough to be able to witness two conciliation cases regarding dismissal of employment. Unfortunately, due to circumstances outside our control, we were not able to attend any cases at the NCAT, however, we were able to visit the Central Local Court where we heard multiple bail hearings.

The day was extremely rewarding as we were able to further our understanding of alternative dispute resolution. We were able to deepen our knowledge of the legal system by witnessing court procedures in action. The day was exceedingly beneficial for all and will be tremendously useful in completing the upcoming HSC course.

A special thanks goes to Jackie from The Rule of Law Institute, who was instrumental in organising the day for us. We are very grateful to have had this experience and look forward to the HSC Legal Studies Course.

By Elizabeth Arcadi, Shannan Wright and Lauren Wright.

PDHPE: Keeping safe when celebrating

The end of the year is often a time when young people celebrate reaching milestones. Schools play an integral role educating young people about how to celebrate safely, make informed decisions and take actions to protect their own health and the health of others.

The mandatory PDHPE 7-10 curriculum provides students with the knowledge, understanding and skills needed to party safely and lead healthy and rewarding lives. It provides young people with opportunity to explore personal safety and health-enhancing actions, while developing strategies to promote safe behaviours.

In PDHPE Years 7-10, students explore:

- why people use or do not use drugs
- the consequences of drug use on individuals and communities
- short and long term effects of illicit drug use
- influences on alcohol use, binge drinking and cannabis use
- effects of drug use on relationships
- influences on health decision-making and risk behaviours
- protective strategies to effectively recognise risk and manage personal safety
- strategies to minimize harm
- basic first aid
- personal safety plans.

Community organisations can support schools in advocating the positive health behaviours young people require to celebrate safely.

The following websites provide some helpful advice and information about staying safe when celebrating:

- Reach Out – Safe partying
- Kids Help Line - Safe party planning
- NSW Police Force – Remember nights out for the right reasons
- National Binge Drinking Strategy
- Better Health – Partying safely: tips for teenagers
- Safe partying for all ages

Table Tennis is back at Magdalene

Table Tennis is back at Magdalene with Year 8 Homerooms competing each week in a one-day knockout competition.

Winners of the 8 Dunne Table Tennis knockout comp on the 8.11.16: Ethan Hart and Owen Warby. Runners up were Olivia Gallagher and Alexa Warren.

Mr Kennedy
On Wednesday 27 October, 15 boys from Years 8 and 9 represented the school at the Diocese AFL Championships. The boys demonstrated a very high level of ability throughout the day and displayed good sportsmanship and a mature attitude in all games.

We were placed in Pool B consisting of Magdalene, John Therry, Mount Carmel and St John’s. In our first game of the day against John Therry the boys showed their class and put 7 goals on John Therry with the eventual result finishing at 45-8. This was a very encouraging start and a great contribution all round from the boys. Our second game against St John’s was to a similar effect, with Magdalene also winning this game by a comfortable margin, 45-11. The third game was a playoff for 1st and 2nd in the pool. This was a much closer game in which the boys really stood up and came home strong for a 3 point victory.

This meant Magdalene was named 1st in our pool and progressed to the semi-final against Edmund Rice. This game was the highlight of the day with scores going back and forth with the boys matching Edmund Rice all over the park. On one of the last kicks of the game Edmund Rice kicked the winning goal to win 35-34. Edmund Rice went on to be the eventual winners, which gave the boys a significant boost that we could match it with them. The boys finished 4th overall in the tournament and did themselves and the school proud. All boys played a vital role with man of the match performances going to:

Game 1: Ben Clarke
Game 2: Lincoln Crimmins
Game 3: Ethan Hart
Semi Final: Ben Watkins

Player of the Day: Lincoln Crimmins

A big thanks to all the boys involved and to Mr Chris Kennedy for his work behind the scenes. A big congratulations to all the boys on their excellent results.

Regards,
Mr Bubb

Loren Phillips

Loren Phillips will be competing at the National Cheerleading Championships from November 24 - 29 at Broadbeach on the Gold Coast.

Congratulations. We wish Loren every success with her competition.

Well done!

Comedy
Don't call me Ishmael! - Series
"There's no easy way to put this, so I'll say it straight out. It's time I faced up to the truth. I'm fourteen years old and I have Ishmael Leseur's Syndrome. There is no cure. And there is no instant cure to not fitting in. But that won't stop Ishmael and his intrepid band of misfits from taking on bullies, bugs, babes, the Beatles, debating and the great white whale in the toughest, and weirdest, the most embarrassingly awful... and the best year of their lives.

Comedy/Fantasy
Thursday Next Series – Fforde, Jasper
Thursday Next is a detective who works for Jurisfiction, the policing agency that works inside fiction. The books are set in an odd alternative world, and blends Science Fiction, Fantasy, Literature, Horror, and a little romance.

Science Fiction/Fantasy
James Patterson - Daniel X Series
Twelve years after the murder of his parents, fifteen-year-old alien Daniel X has taken up the task of his parents as Defender of Earth. In the sewers of Portland, Oregon, he defeats Number 19 on the List of Alien Outlaws on Earth, Orkng Jlfngna, in the hope of working his way up to Number 1: The Prayer. The Prayer murdered Daniel's parents.

Douglas Adams - The Hitchhiker's Guide to the Galaxy
The series follows the adventures of Arthur Dent, a hapless Englishman, although the story also follows the adventures of other major characters: Ford Prefect (who named himself after the Ford Prefect car to blend in with what was assumed to be the dominant life form, automobiles), an alien from a small planet somewhere in the vicinity of Betelgeuse and a researcher for the eponymous guidebook; Zaphod Beeblebrox, Ford's semi-cousin and the Galactic President; the depressed robot Marvin the Paranoid Android; and Trillian, formerly known as Tricia McMillan, a woman Arthur once met at a party in Islington and the only other human survivor of Earth’s destruction.

Horror
R.L. Stine
Goosebumps series
Fear Street
Easy to read cult classics that are still read and loved. With retro being “cool” again, these are great quick reads.
Magdalene Impressions
Magdalene Impressions is coming!

Magdalene Catholic High School’s Annual school exhibition and celebration of the Visual Arts will take place on Tuesday 29 November 2016, in the CAPA, doors open at 6.30pm for a pre-viewing of the exhibition with the official opening beginning at 7pm.

This night is open to all and is a wonderful opportunity to see a large collection of amazing works by our talented students all in one place, come along enjoy yourself and mingle with your friends and family.

Tickets for this event may be purchased using the order form below, or the form can be downloaded from the school website [http://tinyurl.com/ojmqah5](http://tinyurl.com/ojmqah5). Tickets can be purchased at the door on the night.

To pre-order and pay for your tickets please fill out the slip below and place it in an envelope with money by Friday 25 November. Place your order inside the ticket box at the front office and tickets will be distributed to your child in homeroom on Monday 28 November.

Individual tickets $2
Family tickets $5 (2 adults, 2 children)
