8th August, 2017

Dear Parents and Guardians,

On **Monday, 14th August 2017**, an Information Evening will be held for Year 8 students and their parents or guardians.

The purpose of the meeting is to explain the requirements and the elective subject selection process for students moving into Year 9 in 2018. The meeting will allow parents, caregivers and students of Year 8 to listen to a presentation of the elective subject selection process as well as an explanation of the subject selection booklet. It will also allow participants the opportunity to ask questions about the entry of students into Year 9 in 2018.

The format of the evening will involve an opportunity for students and parents to meet with KLA Coordinators and teachers, in small group sessions to discuss elective subject specific questions **from 6.00pm**, then move to a different presentation at 6.15pm and a third presentation at 6.30pm. The rooming and subjects of each presentation will be made available to the students on Friday 11/8. A general presentation on the process of elective subject selection and the requirements of Stage 5 schooling will occur **at 7.00pm** in the CAPA

Students and their parents are expected to attend this evening to assist them in choosing subjects for 2018. As this is a formal school event, students will need to come dressed in their full school uniform. Subject selections will need to be submitted to the school by 30th August.

We look forward to meeting parents and students on **Monday 14th August 2017**. The meetings will be in classroom blocks TAS, D and the School Creative and Performing Arts (CAPA) block. If you or your child cannot attend, a letter of explanation will need to be given to **Mrs. Ashleigh Durrant** (Acting Year 8 Coordinator) before the night and so arrangements can be made for the elective subject selection information to be passed onto your child.

Yours faithfully,

Mrs. Peiti Haines
Curriculum Coordinator

Mrs. Ashleigh Durrant
Acting Year 8 Coordinator
