Dear Parents and Guardians

Parents and Students of Year 10 2017 are invited to an Information Evening on **Monday, 15th May 2017 5.45pm** about subject selection for Year 11.

The purpose of this evening is to explain the Higher School Certificate requirements and the subject selection process for students moving into Year 11 in 2018. Information about the subjects on offer and a presentation on the processes involved in subject selection will be available. It will also allow participants the opportunity to ask questions about the entry of students into Year 11 in 2018.

The format of the evening will include small group sessions to discuss subject specific questions **from 5.45pm**, then move to a different presentation at 6.05 pm, 6.25pm and 6.45 pm. The rooming and subject combination of each presentation will be made available to the students prior to the evening. A general presentation on the process of subject selection, the requirements of the Preliminary Certificate and how that leads into the Higher School Certificate will occur **at 7.05pm in CAPA**.

Year 10 students will receive a booklet outlining the subjects on offer in 2018 during their Career Education day on **Friday 12th May**. The session on Year 11 subjects will provide the students with the time to explore the available subjects and seek clarification on subjects, the subject selection process and general questions about senior schooling.

Students and their parents are expected to attend this evening to assist them in choosing subjects for 2018. As this is a formal school event students will need to come dressed in their full school uniform. Initial subject selections will need to be submitted to the school by Friday, 2/6/17.

We look forward to meeting parents and students on **Monday, 15th May**. The meetings will be in classrooms in blocks A-D, the TAS blocks and the School Creative and Performing Arts (CAPA) block. If you or your child cannot attend, a letter of explanation will need to be given to Mr Johnson (Year 10 Coordinator) before the night.

Yours sincerely

Mrs. Peiti Haines
Curriculum Coordinator
